

NPYL Rookie Division Rules

Boys 7 & 8 years of Age

Revised April 2015

The governing rules of play will be officially recognized **Cal Ripken** baseball rules with the following exceptions and/or local rules adopted.

1. All players on the official team roster will assume a position on the field during the defensive half of the inning. The infield will consist of 6 players with all other players assuming defensive position on the outfield grass. All outfielders must be positioned as close as possible to the natural outfield positions (LF, LC, C, RC, RF) and must be stationed at relatively the same depth. No 7th infielder (Rover) will be permitted to be positioned at the edge of the dirt.
2. Failure of either or both teams to field and maintain (8) players throughout the game will constitute a “forfeit” for the violating team. In the event of injuries occurring during the game causing a team to have fewer than eight players, then the game may be rescheduled from the point it was stopped. Any attempt to abuse this rule will result in the suspension of the manager. The missing 9th player is an automatic out.
3. Offensive half of the inning will continue until three outs are made or five (5) runs are scored.
4. Games will end if a team is leading by eleven (11) or more runs after four (4) complete innings.
5. Ages- Players shall be 7 or 8 years old. Player age is based on the child’s age on **May 1st** of current year.
6. Base runners may not leave the base until the ball is hit. If the ball is not hit or if the batter strikes out, the base runner must return to the base. No Stealing in the Rookie League.
7. For the safety of the players, helmets must stay on until the batter reaches their dugout. If a player removes their helmet before reaching their dugout, a team warning will be given and the next infraction will be an out.
8. For the safety of players at the “pitchers helper” position, a mask, or helmets with face masks must be worn. Heart protection will also be worn at all times by pitchers helper position.
9. **No T-Ball bats are to be used in Rookie League.**
10. Infield fly rule and dropped third strike will not apply.
11. Lateral call-up players can only be used in 7 year olds. Call-up players will only play in the outfield, and shall be placed at the bottom of the batting order if a team has 8 or fewer players available. For Rookie 8 division, a 7 year old may be called-up or an 8 year old lateral player of

equal or lesser rating may be utilized in exigent circumstances where a call-up player would delay the start of the game. MANAGERS ABUSING THIS RULE MAY BE FORCED TO FOREIT THE GAME IN QUESTION AND OR BE SUSPENDED FOR THE NEXT SCHEDULED GAME BY THE BOARD OF DIRECTORS.

12. Play shall stop once the defensive player with the ball stops the lead runner or no further play is being made. Umpires have authority to stop play, however coaches should recognize this as well. **For the integrity of the game and instruction of the kids, excessive running will not be permitted. Our intent is to promote proper fundamentals and techniques of the game, base running included, not to take advantage of 7 and 8 year olds who are learning the game. Remember there is a difference in aggressive and excessive.
13. Pitchers may be warmed-up by a manager, coach or player. Players warming the pitcher must wear a facemask. A maximum six (6) pitches shall be allowed prior to any inning, regardless of who is warming them up.
14. When a player is pitching:
 - a. Player pitcher will pitch to the batter until he achieves a fair batted ball, strikes out, reaches ball four (4) or strikes the batter with a pitch (see rule 14d). There is no limit on the total number of pitches for a player pitcher per batter.
 - b. If ball four (4) is reached, no base on balls will be awarded (hitter is not awarded first base). When ball four (4) is reached the ball/strike count will revert to zero and a member of the offensive coaching staff will replace the player pitcher for that batter. The batter will then be pitched up to four (4) pitches to achieve a fair-batted ball. Failure to achieve a fair batted ball in four (4) pitches will constitute an out unless the fourth pitch is fouled, then subsequent pitches will be thrown until the ball is hit fair, the batter swings and misses or the batter does not offer at the pitch. While the offensive coaching staff is pitching, only pitches that are swung on by the batter will be counted as strikes. Three strikes and the batter is out. If the coach hits a player with a pitch it simply counts as one of the allotted pitches and the batter is not awarded first base. If the batter is struck by a coach pitched ball on the fifth, or final, pitch (depending on whether or not subsequent pitches were needed), or if the batter does not swing, then the batter is out. Poor pitches by the coach will count toward maximum number of pitches.
 - c. A player will field the pitching position and bat his turn. He must position himself within five (5) feet of the rubber, but not in front of the rubber. If the adult pitcher intentionally interferes with a batted ball, the batter is out and the ball is dead and no runners can advance. If the adult interferes with a thrown ball, no runs will count that have scored during the play, the ball is dead and the runner nearest home plate shall be declared out. If the ball accidentally hits the adult pitcher and there is an attempt to get out of the way, the ball is still in play. They're part of the playing field just like an umpire.
 - d. If a batter is hit by a pitch from a player pitcher he is not awarded first base. At this point the coach will immediately enter the game (refer to rule 4b). A player pitcher will be replaced by another player pitcher if he hits 2 batters in the same inning.

- e. When the coach is pitching in a non-player pitch inning, the batter shall receive up to five (5) pitches. Refer to rule 14b for coach pitch rules (substitute five (5) for the number of pitches).

15. Pitchers assignments will be **(7 year olds)**:

- a. The entire season, players will pitch the first inning only.
- b. A player removed as a pitcher shall NOT be allowed to return to that position during the same game.

16. Pitchers assignments will be **(8 year olds)**:

- a. The entire season, players will pitch the first two (2) innings only.
- b. A player is allowed to pitch a maximum of one inning per game.
- c. One or more pitches thrown during an inning shall constitute a full inning pitched.
- d. A player removed as a pitcher shall NOT be allowed to return to that position during the same game.

There will be no ties during tournament play or play-off games. No inning will start after 8:00 pm during the school year and after 10:00 PM after school is out during the week.
27. One base on an overthrow to first base for all runners at the runner's risk. Base runners may NOT advance beyond the maximum 2 bases even if additional defensive plays are attempted. (Ex- Runner is on First when ball is hit. After the overthrow occurs, the base runner cannot advance beyond third and the batter could not advance beyond second for any reason!) The play ends as usual when the defensive infielder stops the advance of the lead runner. Hash marks are called as usual. Once the play ends the umpire will make sure that each offensive player advanced a no more than the maximum of 2 bases. INTENT: To develop defensive throws to first base. There is no overthrow limit on throws to second, third, or home.
28. With 2 outs, the offensive team may substitute run for the next defensive inning's catcher on base with offensive player who made the last out.
