Copies of Birth Certificates are also due no later than one hour before the first game of the team. Only birth certificates will be accepted as proof of age. Failure to provide a valid copy of a birth certificate will disqualify the individual until the copy of the birth certificate is produced. The modification or falsification of the copy of the birth certificate will immediately disqualify that team from the tournament. If a manager wishes to question the eligibility of a participant, a \$100.00 protest fee must be presented. The protest fee will be returned if the questioned participant is shown to be ineligible.
- 3) Teams will consist of no more than 15 players, one manager, two coaches and a scorekeeper in the dugout. Only the manager and/or coaches are allowed to coach the bases. A coach pitcher will also be allowed on the field and dugout for 7 and 8 year old teams.
- 4) Each player must wear the same color shirt with a unique number.
- 5) All players are to remain in the dugout except for the batter and the on-deck player.

- 6) Home team designation will be determined by a coin flip prior to each game. The team traveling the farthest has the option of calling the coin flip. To ensure that games start on time, teams should arrive at the diamonds 30 minutes before their scheduled game.
- 7) No new inning will start after 1 hour and 45 minutes. The umpire will announce game start time after the first pitch. The last out of the prior inning automatically is the official start time of the next inning.
- 8) A team must bat its entire roster but can only play nine (9) defensively and ten (10) for the eight (8) & under. If team "A" has a 12 team roster and team "B" has an 11 team roster, then team "A" has the option to bat eleven (11). The home plate umpire and the opposing manager must be aware of all substitutions. The home team is the official scorebook.
- 9) No mandatory slide rule. Runner is to avoid contact. This is a judgment call by the umpires. Head first slides will only be allowed going back to a base. *The goal is for safety and to avoid contact.*
- 10) Infield fly rule is in effect.
- 11) Batter may not run on a dropped third strike.
- 12) Leaving the base early will result in an automatic out of the base runner.
- 13) If a batter throws the bat, he will be warned on the first offense and will be called out for each time he throws the bat for the rest of that game. *This not a team warning. This is per individual player.*
- 14) No metal spikes will be allowed in any age category.
- 15) The use of an illegal bat will be an automatic out when it is detected. If the ball is hit, all runners will return to their original bases. *The bat can be no longer than 33 inches in length, nor have a bat barrel in excess of 2 1/4 inches. No big barrels.*
- 16) No coach may ***touch or assist*** a player between bases during a play. This is an automatic out.
- 17) Judgment calls by an umpire cannot be protested or excessively argued. Protest, should they occur, must be accompanied by a \$100.00 fee. The protest fee will be returned only if the protest is upheld. The tournament committee will settle the protest at the time of the dispute. Their decision will be final.
- 18) Team manager is responsible for the conduct of his coaches, players and fans. No foul language will be tolerated. Failure of a manager to control his team including his fans, can result in a forfeiture.
- 19) Maximum 6 runs per inning...6th inning and beyond unlimited runs.

- 20) A complete game will consist of six innings or the time limit of 1 hour and 45 minutes. A 10 run rule after 3 ½ innings will be in effect. In event of rain, 4 innings (3 ½ if the home team is ahead) will constitute a complete game. The tournament director will assign rainouts new dates and times. If a game is called because of weather and it does not meet the requirements of a complete game, it will be resumed at the exact place at the time the game was suspended. There will be no completely replayed games. A complete game must consist of 4 innings (3 ½ if the home team is ahead).
- 21) Pitching Rules: Pitchers can pitch no more than 3 innings in a game. One pitch in an inning counts as a complete inning pitched. A pitcher may not return to the game once removed.
- 22) If a pitcher hits two batters in an inning, he shall be removed as pitcher. If said pitcher still has eligible innings, he may return to the mound in a later inning. If he hits a third batter, then the pitcher shall be removed permanently. He may play a different position. (9 & 10 year olds)
